

## **Thank you!**

Blue Dragon is proud to be a partner of The Pure Collective. Your support since 2013 has given Vietnamese kids in crisis a chance to find freedom from slavery and exploitation, and to rebuild their lives in safety.

Blue Dragon works with children and young people who have been victims of human trafficking or are homeless. As an Australian charity, we rely on support from people who share our belief that every child has a right to freedom and care, so that they can grow and thrive. Since we started, we have rescued over 800 people from slavery in brothels, forced marriages, and sweatshops, and helped more than 500 street children be reunited with their families.

The Pure Collective has worked with us since 2013 to fund both the rescues of trafficked children and pay for their care as they recover from trauma. This includes psychological counselling, accommodation, medical treatment, and legal advocacy. Your donations over the years have given kids a chance they would otherwise have never had – a chance to just be kids.

THANK YOU to all who are part of the Pure Collective for believing in a better world. I am excited to keep working with you to make every day a safe day for the children of Vietnam.

Sincerely,
